

**PROCESS FOR DEVELOPING SCOPE OF WORK AND BUDGETS FOR
CONSTRUCTION* PROJECTS AT UNL**

Facilities Planning and Construction

Revised: 1-28-04

* Construction = New buildings, additions, and renovations including the installation of new components (architectural, structural, mechanical, plumbing, electrical, etc.) or the removal/demolition of existing components. For the UNL Facilities Planning and Construction Policy see: <http://busfin.unl.edu/bfsite/fmp/609.cfm>
