

2017 CIBC Seminar Opportunity

Speaker Selection

- CIBC invites nominations for outstanding scientists that visit the UNL campus to present novel research findings of broad interest to Center investigators and trainees. Please send nominee's name, title, address, brief biography, and topic to:

Jennifer Lottman, Coordinator CIBC
807A Hamilton Hall
0304
Jlottman2@unl.edu

- Nominations for seminar speakers will be reviewed for relevance to CIBC areas of interest by the CIBC Directors.

Types of Seminars Supported

CIBC Co-Sponsored Department Colloquia or Seminars

Co-sponsored colloquium and seminars

CIBC supports up to half of seminar expenses with a \$450 limit per speaker. CIBC will provide publicity for the seminar by creating a flyer, posting on events calendar, posting on CIBC website and CIBC social media accounts and by sending an announcement to the CIBC listserv. The host department is responsible for airline and hotel reservations.

CIBC Seminars

CIBC hosts seminars on a drop-in basis when CIBC faculty have scientists visiting for other events and request their visitor make a presentation as part of the CIBC Seminar Series.

CIBC supports up to half of seminar expenses with a \$450 limit per speaker. CIBC will provide publicity for the seminar by creating a flyer, posting on events calendar, posting on CIBC website and CIBC social media accounts and by sending an announcement to the CIBC listserv. The host department is responsible for airline and hotel reservations.
