

IC Scholar Commitment Form

I accept the opportunity to participate in the IC Scholar Program at the University of Nebraska – Lincoln. I understand that the objective of this program is to encourage and prepare students to pursue a career in the Intelligence Community. I agree to satisfy the following program requirements (read and initial beside each statement):

- _____ Maintain a professional attitude with all members of the university community and conduct myself in a manner that does not jeopardize my eligibility for a security clearance.
- _____ Attend all scheduled activities (workshops, seminars and meetings) including evening sessions and individual and group meetings.
- _____ Maintain full-time student status and a cumulative GPA of 3.25.
- _____ Maintain frequent and regular contact with GP NSEC staff.
- _____ Maintain positive working relationships with my faculty mentor(s).
- _____ Meet all deadlines for submission of required documents.
- _____ Attend at least one IC CAE colloquium.
- _____ Participate in at least one GP NSEC sponsored cultural immersion experience, OR demonstrate study abroad in a non-English speaking country.
- _____ Provide service in support of high school outreach, GP NSEC support, IC Scholar mentoring, or other IC-relevant activities.
- _____ Sit for an exit interview with GP NSEC management.
- _____ Fill out and submit evaluation forms as requested throughout the program.
- _____ Develop a portfolio of my credentials and research to be used for IC Interviews and Job Search processes.
- _____ Respond to follow-up efforts on my academic and career progress after I complete the program.

In addition, IC Scholars will participate in any two of the following activities:

- _____ Participate in at least one IC-relevant research experience.
- _____ Obtain internship or employment experience with a U.S. government agency or contractor in which they performed IC-relevant duties, or participate in ROTC.
- _____ Demonstrate proficiency in a foreign language.
- _____ Major in an IC-relevant degree program.

I understand the expectations of the IC Scholar Program and my responsibilities and obligations as an IC Scholar. Further, I understand that my eligibility to continue as an IC Scholar may be affected by my failure to comply with the conditions listed above. If I meet all the program expectations and maintain good quality work I am eligible to request travel funding.
