

2021 Prairie Visions Virtual Writing Workshop

Free Event! Free Event! Free Event!

October 18-21st 2021

Writers (teachers and students) in grades 4-12 are invited to a self-paced digital tour of Homestead National Historical Park with guided writing activities led by rangers and Nebraska Writing Project teachers.

Participants in Prairie Visions can:

- Access a new digital “tour stop” daily
- Learn about the prairie and writing ideas in 10-15 minute pre-recorded sessions
- Write at their own pace
- Share their writing with Nebraska Writing Project teachers on Flipgrid

This festival is offered in partnership with the Nebraska Writing Project.

The NeWP gives teachers and students opportunities to hone their writing skills in a collaborate setting to build community.
