Faculty Senate Representatives: G. Avalos, X. Pérez-Giménez.

2 Graduate Program

Graduate Advisory Committee: R. Rebarber (Chair), E. Grifo, S. Hermiller, Y. Lai, A. Larios, J. Radcliffe, C. Schafhauser, Graduate student member: Sam Monkman.

Graduate Admissions Coordinator: J. Radcliffe

Graduate Advisor for Internships and Non-academic Jobs: S. Hermiller

Graduate Exams Coordinator: A. Larios

Graduate Recruiting Visits and Outreach Coordinator: C. Schafhauser

Postbac Exploratory Subcommittee: Y. Lai, J. Radcliffe.

GSA Representative: Kirsten Morris.

Responsibilities: Advise the Department about all aspects of the graduate program. In particular, administer the graduate program, administer the graduate exams, recruit graduate students, advise about policy issues concerning the graduate program, advise about curricular issues affecting the graduate program, serve as grading appeals committee for all grade appeals in graduate courses, provide recommendations for graduate student awards and scholarships, provide advice on preparing graduate students for the profession.

MAT Committee: W. Smith (Chair), A. Bennett, B. Deng, A. Donsig, M. Homp.

Responsibilities: Administer the MAT portion of the graduate program, providing advice to the GAC about this program as appropriate. Arrange for instructors of record for MAT courses taught by members of the graduate faculty.

Job Search Workshop Coordinators: D. Pitts, C. Schafhauser, M. Walker.

3 Undergraduate Program and Activities

Undergraduate Program Committee: A. Zupan (Chair), H. Du, M. Foss, J. Jeffries, Y. Lai, X. Pérez-Giménez (Spring only).

Major Recruiting Coordinators: H. Du, J. Jeffries.

Experiential Learning Coordinators: H. Du, J. Jeffries.

Major Faculty Advisor: M. Foss.

Scholarship Assistant: Y. Lai.

Responsibilities: Advise the Department about all aspects of the undergraduate program. In particular, administer the undergraduate program, advise about undergraduate curriculum and major/minor requirements (including ACE requirements), serve as grading appeals committee for all grade appeals in undergraduate courses, recruit undergraduate majors, provide recommendations about undergraduate awards and scholarships, promote undergraduate research, provide career advice for undergraduates.

Undergraduate Activities Committee: T. Lai (co-Chair), A. Seceleanu (co-Chair), A. Bennett, Z. Norwood, K. Yamazaki.

Responsibilities: Serve as faculty advisors to the Math Club, Pi Mu Epsilon, the Women's Undergraduate Math Network, and the AWM Student Chapter. Facilitate a sense of community and promote mathematical activities for undergraduate math majors.

First-Year Mathematics Task Force: J. Brummer (Chair), K. Amman, M. Bills, M. Brittenham, B. Deng, K. Gonzales, Y. Jin. Graduate students: Sam Macdonald, Sara McKnight.

Responsibilities: Monitor the implementation and the results of the redesign of Math 100A, Math 101, Math 102 and 103, oversee the research project associated to this project, and advise the department on extending the redesign project to other 100-level courses. Create strategies to help reduce equity achievement gaps in our 100 level course.

Second-Year Mathematics Task Force: A. Donsig (Chair), S. Hermiller, A. Larios, Z. Norwood, D. Pitts. Graduate students: Scott Hootman-Ng and Dylan McKnight.

Responsibilities: Review and standardize the syllabi for Math 208, 221, and 314. Particular attention should be given to trimming the 208 syllabus. Find ways to improve large lecture instruction for 208 and 221, and explore teaching 314 in large lectures.
